St. Pete Beach’s RumFish Grill Introduces Tropical-Inspired Menu Selections

Several new items added to dinner and bar menus

ST. PETE BEACH, Fla. (Mar. 29, 2023) – Located at RumFish Beach Resort by TradeWinds, St. Pete Beach’s popular RumFish Grill has added several new items to their daily offerings, including the dinner, bar and Happy Hour menus. The work of 10-year TradeWinds veteran Executive Chef Jon Hilton, the updated menus feature a variety of innovative new dishes and classic fan favorites, all with a creative, tropical flair.

“Here in Florida, we’re fortunate to have access to the freshest seafood and ingredients on the market, which we love to showcase by updating our menus to keep guests coming back for more,” said Mark Frantz, General Manager, RumFish Grill. “This summer, there will be another great reason to return to RumFish Grill, as we debut our new cocktail menu.”

The new bar menu includes a variety of chilled appetizers, such as the Ahi Crab & Avocado Stack, Spicy Korean Style Steak Tartare, and Florida Snapper Ceviche. These items can also be found on the main dining room menu, along with other new small plates, including Steamed Mussels and Cedar Key Clams and Pepita & Pomegranate Grilled Brie. Large plates range from the Everything Crusted Ahi Tuna with Black Rice and Pineapple Salsa to the “Brick” Chicken with Red Quinoa and Lentil Tabbouleh. Other notable favorites include Blackened Mahi Mahi and Gulf Shrimp, Florida Pompano and Tempura Battered Trout.

RumFish Grill provides diners a truly immersive experience with state-of-the art aquariums – the main attraction being the 33,500-gallon aquarium built by the team on Animal Planet’s hit series, “Tanked.” RumFish Grill serves a wide variety of small plates, salads and entrees. The restaurant is open for Happy Hour and dinner, with two bars, live music and dozens of TVs, including a 14-foot multiplex screen for sports fans. Guests wanting to “dive in” can participate in the “Swim with the Fishes” snorkeling program, while those wanting to stay on dry land can experience the behind-the-scenes tour.
